

Preparing proposals

All abstracts/full papers should be written in English. Language check should be done by the author(s) before submission. Online system, EasyChair, is used for submissions. Kindly note that it is not possible to submit via email. Please see below for more detailed instructions.

Paper manuscript

- The length of the manuscript is 6-14 pages (excluding references). Please use CEUR template [\[download the template\]](#).
- The manuscript should include: abstract, introduction, theoretical background, methods, results, and discussion/conclusions. Depending on the topic and field of research, also other structure is possible.
 - Add at least three keywords, that describe your research
- The research should be original and not published elsewhere.
- For references, please follow numbered elsarticle style that is used in the template. For more information, see e.g. <https://www.bibtex.com/s/bibliography-style-elsarticle-elsarticle-num/>
- Please prepare a **blind review version** of your manuscript for submission.
- **Please submit the final/revised version of the paper as an update via EasyChair.**

- KINDLY NOTE: An article in conference proceedings requires a presentation at a conference.

Accepted full papers will be included into conference proceedings.
